Reflection

In prayer and Liturgy Jesus' teaching of the Beatitudes points to the wonderful way of God's Kingdom. We talked about 'the Man of the Beatitudes', St Pier Giorgio Frassati. We asked the children to be people of the Beatitudes, following Jesus and St Pier Giorgio's example. Do

Creator God, thank you for the wonder of a rainbow, a radiant reminder of your faithful promise and peace. Just as you bring beauty out of the rain, bring hope into my life when skies are grey. Let this sign in the heavens be a reminder that you are with me, shielding me, and holding me in your care. In Jesus' name, Amen.

THIS WEEK

I would like to start this week's Newsletter by saying how proud we are of Imogen W (Yr6) who came 1st in the Kent Swimming Championships for both 200m and 400m freestyle! Imogen is now the U11 Kent Champion! We look forward to hearing how she gets on in the Regionals later in the year! Well done Imogen, what an amazing achievement!

Yr6 had their very own evacuee day where the children could dress in 1940s style clothes, some even brought in a box for a gas mask. They continued learning about the experiences of evacuees before taking part in a 1940s style PE and maths lesson. They created a play/drama about what evacuation was like. In the afternoon, they discussed rationing and then made Honey Cakes using a

rationing recipe. Today, they got to try the cakes they made and general consensus was they were very tasty! How great do they look!

GENERAL INFORMATION

This week my **Headteacher Awards** go to: Lilia A & Charlotte B (Rec), Nehan G & Bethany G (Yr1), Jacob F & Effie O (Yr2), Olivia G & Sienna N (Yr3), Ruslan M & Caroline S (Yr4), James C & Emilia S (Yr5) and Thomas M & Orla R (Yr6). Well done to each individual for working hard this week and showing us how to be kind and helpful. We are very proud of you all!

National Year of Reading

As part of the National Year of Reading, our Reception children invited their parents into class on Thursday afternoon to listen to a story read by the class teacher. We hope you enjoyed sharing this time with the children and listening to one of the classes favourite stories.

School Uniform

School uniforms are important for fostering equality by reducing peer pressure and visible economic differences and building school identity and community spirit. It is also a factor in improving discipline and safety by creating a more structured, identifiable environment. Therefore, may I remind all parents that children should wear the correct school uniform or PE kit each day. This includes wearing the correct footwear. Please note that **boots are not suitable** for school. Moving forward, we will send home a note with any child wearing incorrect uniform, and a call to parents may be made to discuss this. If you are unable to send your child to school in the correct clothing or footwear, please email the school office or provide a written note to the class teacher to explain your reasons. We appreciate your continued support.

MESSAGE FROM OUR HOUSE CAPTAINS & DEPUTIES

This week in year 6, we dressed up as evacuees from World War II. We learnt about how they had to leave their homes and ration their food. This must have been very hard for those children; it is impossible to imagine what it must be like. It taught them to be grateful for what they had and to

respect others. These are part of our school values, so we too should show gratitude for what we have and always show respect to others.
